

Buckden House Rules

This list may be augmented by other rules that the Group Leader may wish to add – if you are sharing with another group, share your expectations of behaviour with them, in advance. If you wish to remove any of the items below (rather than paraphrase them, for instance) please contact the Head of Centre in advance.

Please share these expectations with students and staff in advance, and be ready to read out your Code of Conduct soon after arrival.

- **Always pay attention to what instructors say; it may save your life.**
- **Inside, do not run, jump, or behave thoughtlessly**
- **Outside, do not cross any red ropes or fences: these areas are OUT OF BOUNDS**
- **Respect others and their belongings.**
- **Do not go into anyone else's bedroom, even if you are invited.**
- **Do not keep, or eat, food in your bedroom.**
- **Keep yourself, your belongings, and your rooms, clean and tidy.**
