

Buckden House Evening Meals and How to Order Them

- Please find attached the evening meal menu options available at Buckden House, You may only choose the appropriate menu for the nights you are staying, if you are coming for example Monday to Wednesday please choose from the menus for those days.
- The 'Who Wants What Food' page allows you to record who has ordered which menu choice, saving much time and confusion when you arrive.
- Your Menu Choices must be sent to us well in advance (at least ten days) by Fax, E mail or Post to allow us to order the food you require. We must also be informed at this time of any food allergies or special dietary requirements e.g. medical or religious. All our menu choices are suitable for Halaal but you must let us know if you require this option so that additional Halaal foods can be purchased.
- Please indicate in the boxes how many of each choice (including potatoes and vegetables) you would like to order. Please ensure that the numbers of pupils and staff are recorded in the correct boxes as this has a bearing on the amount of food ordered and prepared.
- On arrival at Buckden House please speak to our Chef regarding your breakfast and packed lunch requirements.
- Should you have any queries or require further information please do not hesitate to contact our Chef.
- Many thanks for your co-operation.
